

Document Manager for SAP® SuccessFactors® from HuRis Now Available on SAP® App Center

By integrating with SAP® SuccessFactors® Employee Central, HuRis's Document Manager solution helps to digitally sign and store all documents directly within SAP® SuccessFactors® solutions.

Culemborg, Netherlands — May 5th, 2020 — HuRis today announced that its [Document Manager](#) app is now available on [SAP® App Center](#), the digital marketplace for SAP partner offerings. Document Manager integrates with SAP® SuccessFactors® Employee Central and helps to store and sign all human resource related documents.

“With Document Manager from HuRis, customers can easily create, customize and manage every possible template in a familiar Microsoft Office environment. The app enables full DocuSign integration for digital signatures and a digital personnel file integrated to save all documents directly within SAP SuccessFactors Employee Central,” commented Sander Surewaard, Managing Partner of HuRis.

Document Manager integrates with SAP SuccessFactors Employee Central to provide the following capabilities:

- Easily create, customize and manage every possible template in a familiar Microsoft Office environment
- Use the full DocuSign integration for digital signatures to save time
- Save all documents directly in the Digital Personnel File within SAP SuccessFactors Employee Central
- Be compliant using automatic checks on retention periods
- Arrange event-driven and mass generation of documents

At SAP App Center, businesses can discover approximately 1,800 innovative partner solutions that integrate with and extend SAP solutions. The solutions are SAP-validated and can be sorted by SAP product line, industry, solution type and use-case scenario, creating a seemingly endless supply of opportunities.
